

Into the Dead 2

****About Into the Dead 2****

In Into the Dead 2, players have to survive a zombie apocalypse to save their own family. For this, numerous zombie hordes must be destroyed.

Into the Dead 2 is an action-packed mobile game that takes you into a world which is threatened by a zombie apocalypse. Your goal is to survive this apocalypse and save your family. Equip yourself with strong weapons, devise a good tactic and destroy many dangerous zombie hordes. During the game, you will discover new locations and new hordes of for example armed zombies. If you participate in the daily modes or event modes, you can also win great prizes.

****Into the Dead 2 - Features:****

- **Survive the Zombie Apocalypse:** In Into the Dead 2, the world is in a zombie apocalypse. Your goal is to survive the apocalypse and save your own family. To save your family, you have to go a long way across the country. Since numerous zombie hordes await you on your journey, you have to equip yourself with powerful weapons and ammunition to effectively and quickly destroy the zombies. In total, 7 different chapters, 60 action-packed levels and numerous challenges are available.
- **Arm yourself:** In Into the Dead 2, choosing the right weapons is of paramount importance. Only with the right weapon and the appropriate ammunition can you destroy zombie hordes effectively. During the game you can unlock numerous melee weapons, firearms or explosives. These weapons can be improved during the game, so that they cause even more damage.
- **Discover New Places:** On your way through the zombie apocalypse, you'll always find new places where zombies await you or where you can equip yourself. For example, military bases, campgrounds, or smaller rural communities can be destinations on your route.
- **Adjust your tactics:** As the difficulty increases during the game and the zombies become more dangerous, a good tactic is particularly important. For example, you will encounter armed or running zombies, which are even more difficult to kill.
- **Daily modes and special event modes:** When you complete the daily modes or event modes, you can win great and exclusive prizes, with which you can e.g. upgrade your weapons or equipment.

Conclusion: Into the Dead 2 is an action-packed game for smartphones and tablets, which above all requires a good strategy. Choose the right weapons, devise a good tactic and start a thrilling fight against the zombie hordes.
