

Sonic Forces: Speed Battle

****About Sonic Forces: Speed Battle****

In Sonic Forces: Speed Battle, players compete in fast-paced races. The goal of this multiplayer game is to finish in first place, collect as many rings as possible and eliminate opponents on the track.

In Sonic Forces: Speed Battle, you'll need to use Sonic's unique speed to be the first to cross the finish line. As you race against players from all over the world, not only speed but also evasive maneuvers or obstacles for your opponents are needed. In addition, you can also use mines, lightning bolts or fireballs to prevent your opponent from continuing. The more rings you collect during the run, the faster you can improve your character's abilities.

****Sonic Forces: Speed Battle - Features:****

- Run as fast as you can: In Sonic Forces: Speed Battle you compete in races against players from all around the world. Use Sonic's immense speed to run faster than your competitors and finish first. If you use the special dash fields or grind rails, you can also run even faster.
- Set a trap for your opponents: In order to win the game, you not only have to be fast, but you also have to attack your opponents. Set traps for your fellow players, push them into obstacles, and make sure they cannot continue for a moment. Since your opponents aim for your failures as well, you have to keep an eye on the track and avoid dangers as quickly as possible.
- Attack your opponents: In order to do even more damage to your opponents, you can also use different objects. For example, you can fire mines, lightning bolts, fireballs or tornadoes in the direction of your opponents.
- Collect Rings: Colorful rings are placed on the racetrack, which you have to collect during the run. With the collected rings, you can then improve your character's abilities.
- Choose your character: You can not only play with Sonic but also with other popular Sonic characters like Amy, Tails, Knuckles or Shadow. In the course of the game you also have the opportunity to unlock rarer characters such as Omega.
- Win Trophies: If you win in many races, you can win special trophies and unlock new and more challenging tracks.

Conclusion: Sonic Forces: Speed Battle is a fast-paced game for young and old, which requires above all concentration and a good responsiveness. Since you have to avoid obstacles and traps of opponents and collect rings at the same time, the game can be very challenging at times.
