

Toon Blast

****About Toon Blast****

Toon Blast is a match-2 puzzle for smartphones and tablets, in which players have to combine at least two blocks of the same color to make them disappear from the playing field.

Toon Blast is a colorful Match 2 game in which you'll find lots of funny cartoon characters like Cooper Cat, Wally Wolf or Bruno Bear. In each level you have a specific goal to reach. To achieve this goal, you have to combine at least two blocks of the same color to remove them from the board. The fewer moves you need to reach your goal, the more stars you will receive. You can also create your own team and rely on the help of your teammates to solve more difficult levels.

****Toon Blast - Features:****

- Combine blocks of the same color: The gameplay of Match 2 puzzles is very simple and already familiar to many players. To make blocks disappear from the board, at least two blocks of the same color have to be combined. In Toon Blast numerous levels await you, in which you have to solve different tasks. For example, the goal of a level may be to remove x blocks of a particular color. The fewer moves you need to reach this goal, the more stars you will receive. Up to 3 stars can be given per level. If you diligently collect stars, you also have the chance to receive numerous rewards.
- Use power-ups and boosters: As in nearly each match-2 game, you can also use special boosters and power-ups in Toon Blast, which can help you to solve the level. You get special power-ups, for example, for particularly large combinations of 3 or more blocks of the same color.
- Create your own team: A special feature of Toon Blast is the possibility to create your own teams. With your team you can compete against other teams and find out who can solve Match 2 puzzles faster. In addition, your teammates can give lives to you, which you can use for particularly difficult levels.
- Funny cartoon characters: In Toon Blast, you will always meet funny and colorful cartoon characters like Cooper Cat, Wally Wolf or Bruno Bear, which will add even more fun to the game.

Conclusion: Toon Blast combines the well-known gameplay of the popular Match 2 games with new features such as the possibility to create own teams and compete against other players. The colorful world of Toon Blast is also enriched with funny cartoon characters, so even younger players will enjoy the game.
